## HICAPS Hints

- If the card does not have the patient IDs listed, start with 01.
- The card issue date is located on the bottom right-hand corner of the card.
- Not all funds accept all the listed item numbers. If a number is rejected, contact the health fund and they will advise an alternative number for processing.
- HICAPS transactions can only be generated by swiping a membership card. Key entry is not available.
- Print your HICAPS totals daily. Your terminal will prompt you to complete the process before the first claim of the day can be processed.
- Payment for an approved HICAPS claim will be paid to each provider by the health fund to your nominated account.
- For all stationery requests contact the Help Desk.
- Description relating to the Transaction Response Codes are available in the Terminal Operating Guide.
